

2026-2027 Code of Conduct

Jesus loves all children, and so do we! We also believe that children should be free to learn about Jesus without worrying about hearing foul language, feeling threatened, having their views/opinions disrespected, seeing or experiencing violence of any kind, and any other behaviors or actions that may impede their learning experience.

We are implementing new guidelines that will be strictly enforced so that everyone may have a positive learning experience. Any negative or disruptive behaviors will be dealt with in the following manner:

First occurrence: Removal from activity for at least five minutes and a conversation with church personnel. Parents will be made aware at pick up.

Second occurrence: Call to parents and removal from activity for at least ten minutes.

Third occurrence: Parents will be called to pick up their child. The child will not be welcomed back to the JOY program for the rest of the school year.

If deemed necessary, the third occurrence consequence will be enforced before the first and/or second.
